Lamb Nurseries

E. 101 Sharp Avenue

SPOKANE, WASHINGTON

TO MY CUSTOMERS AND FRIENDS:

I have been released from the Army and am once more operating the nursery myself. Due to lack of labor and War conditions in general we are not putting out an illustrated catalogue this year but we still have a number of our colored, illustrated 1942 catalogues and will be glad to send you a copy for your reference if you do not have one. We ask that you please keep these until such time as we can again put out a colored list.

SHIPMENT — All shipments will be sent Express collect unless postage is included. 15% East of the Mississippi and 10% West of the Mississippi river. Shipments over \$5.00 in the states of Montana, Idaho, Washington, Oregon and California will be prepaid.

Responsibility—While we endeavor to fill all orders with the greatest of care, we can accept no responsibility, either express or implied for failure with stock purchased from us as there are too many existing conditions over which we have no control.

Free Offer—We will send one 25c plant of your choice with each \$2.00 plant order if included on your order. This does not apply to seed orders.
